

# We are creating a sound map of Nelson – and we need your help!

**Tell us about a place in Nelson that is somehow overlooked:**

**if we listened there what might we overhear?**

**Make a sound recording on your phone or tablet and send it to us.**

**We want to hear birdsong, animals, voices, music, weather, buildings, games, laughter – anything that celebrates everyday life in Nelson.**

**Tell us where you made the recording and why: this will help us map the unique sounds that make Nelson special.**
